

Pineline Grease Remover

Product no.	210								
Description	Tall oil based multipurpose detergent concentrate for industrial and workshop environments.								
Special features	Removes oily and greasy dirt effectively from, for example, the floors of workshops and maintenance departments. User-safe product. Low-foaming. Also suitable for floor washing machines.								
Instructions for use	Dilution 1 – 30 %. Temperature of wash water 5 – 50 °C. Soaking time 1 – 3 min. When using floor scrubbers, the cleaning efficiency is improved by brushing water into the floor first without suction, which is followed by brushing the floor for the second time with suction.								
Note!	Read the instructions for safe use on the label or in the Safety Data Sheet. Store sealed at +5...+30 °C.								
Working environment	Ensure adequate ventilation. The product is easily biodegradable and meets Ecolabel requirements.
