

Pineline Rim Wash

Product no.	350	
Description	Ready-to-use detergent for cleaning steel, aluminium, painted and plastic-trimmed wheel rims.	
Special features	Effectively removes oxides and brake dust and brightens aluminium wheel rims.	
Instructions for use	Spray on at close range. Soaking time 1 min. Rinse thoroughly with water.	
Note!	Do not let the substance dry on surfaces to be washed. If you are unsure about the suitability of the product, try it at first on an unnoticeable spot. Some wheel rims have a thin chrome surfacing that cannot tolerate acidic cleaning agents. Read the instructions for safe use on the label or in the Safety Data Sheet. Store sealed at +5...+30 C.	
Working environment	Ensure adequate ventilation. The product is easily biodegradable and meets Ecolabel requirements.	
Technical data	Form and colour pH-value (20 °C) Relative density	clear liquid 1 1.03
Contents	Organic acids Non-ionic surfactants	< 5 % 5 – 15 %.
Package	0,5 L	
Other information	The product has the right to use the Nordic Swan Ecolabel (licence no. 4013-0027). Made in Finland.
